State Update

On Monday, May 3, 2021, the Small Business Association (SBA) opened applications for the Restaurant Revitalization Fund. The \$28.6 billion fund is a program created by the recently passed American Rescue Plan. The Restaurant Revitalization Fund is designed to help restaurants, bars, and other food-service related businesses that have been impacted by the economic crisis caused by the COVID-19 pandemic to keep their doors open. The program included in the American Rescue Plan was based on the Restaurants Act of 2021. The program will provide restaurants with funding equal to their pandemic-related revenue loss up to \$10 million per business and no more than \$5 million per physical location. Recipients are not required to repay the funding as long as funds are used for eligible uses no later than March 11, 2023. Entities eligible to apply include restaurants, food trucks, caterers, bars, bakeries, and more. To apply and learn more about the program, visit sba.gov.

State Update

The [New Jersey Department of Health](#) (NJDOH) has released updated guidance concerning travel restrictions, quarantine timeframes, and fully vaccinated persons. The information includes Center for Disease Control (CDC) recommendations for domestic and international travel. Individuals no longer need to quarantine or get tested before/after domestic travel if they are fully vaccinated or have recovered from COVID-19 in the past three months:

- It has been more than two weeks since you received your second dose of the Pfizer-BioNTech or Moderna vaccine;
- It has been more than two weeks since you received your first and only dose of the Janssen/Johnson and Johnson vaccine; or,
- You have clinically recovered from COVID-19 in the past three months

The CDC continues to recommend that travel is deferred until an individual is fully vaccinated; the state continues to discourage all non-essential travel.

Additionally, the CDC has provided health and safety information for fully vaccinated individuals in non-healthcare settings such as indoor visits with vaccinated and unvaccinated persons, travel, close contact quarantine, and gatherings. To learn more, visit www.cdc.gov/coronavirus/ and covid19.nj.gov/.

State Update

Governor Murphy's Administration, in conjunction with Rutgers University's Heldrich Center for Workforce Development, released the results of an online survey conducted earlier this month. The survey drew responses from nearly 4,000 businesses and non-profits across New Jersey. Results of the survey demonstrate, overwhelmingly, that while the business and non-profit community is eager to get back to work, owners understand and take seriously the public health risks posed by COVID-19 and the responsibility to provide a safe experience for employees and customers. The survey found that a majority of small business owners (51%) cited consumer confidence as the most pressing issue, while 13% cited access to personal protective equipment as their biggest concern, for further information about the survey findings visit www.nj.gov.

State Update

Governor Murphy issued two new Executive Orders, including the lifting of a statewide stay-at-home directive and expanding limits on the number of people allowed at indoor and outdoor gatherings. In addition, all outdoor recreation and entertainment businesses can reopen except for amusement parks, water parks, and arcades. The Governor stated that the latter group of businesses brings in a high concentration of people into high touch areas, so they are presently not safe; he promised to consider their reopening in the future. The Governor asked that residents continue to be responsible and safe by wearing face coverings and practicing social distancing.
